Erratum

Erratum to: “An evolution strategy method for computing eigenvalue bounds of interval matrices”

Quan Yuan *, Zhiqing He, Huinan Leng

Department of Mathematics, East China University of Science and Technology, Shanghai 200237, PR China

In page 263 there is a negative sign missing in the interval matrix $[K]$, which should be changed to

$$
[K] = 
\begin{bmatrix}
[3800, 3900] & -[1800, 1850] & -[1600, 1630] \\
-1800, 1850 & [3400, 3480] & -[1400, 1420] \\
-1600, 1630 & [3000, 3050] & [2600, 2630] \\
-1400, 1420 & [2600, 2630] & -[1200, 1210] \\
-1200, 1210 & [2200, 2218] & -[1200, 1210]
\end{bmatrix}
$$
