The author regrets that some terms are missing or misspecified in the Karush–Kuhn–Tucker conditions in Sections 3.7–3.10 on page 346. Corrections are given below.

In conditions (3.7.16), (3.8.18), (3.8.19), (3.8.21), (3.8.22), (3.9.25), (3.10.29), add multiplier \( p_m \) (discount rate in tree node \( m \) multiplied by the probability of its occurrence) to \( d_d \) (number of days in demand season \( d \)).

In conditions (3.9.27) and (3.10.31) delete multiplier \( p_m \).

The author would like to apologise for any inconvenience caused.
