Corrigendum

Corrigendum to “Frequency-dependent spatiotemporal distribution of cerebral oscillatory changes during silent reading: A magnetoencephalographic group analysis” [NeuroImage 54/1 (2011) 560–567]

The authors regret that in our recently published paper entitled, “Frequency-dependent spatiotemporal distribution of cerebral oscillatory changes during silent reading: A magnetoencephalographic group analysis”, the Acknowledgments section was inadvertently omitted. We would like to apologize to all those concerned and amend the original publication with the following addition.

Acknowledgments

We would like to acknowledge Ms. Yuko Tamura and Ms. Izumi Kawaguchi for their excellent secretarial works. This work was supported by a grant to Yoshimine T. and Hirata M. for “Brain Machine Interface Development” from the Strategic Research Program for Brain Sciences by the Ministry of Education, Culture, Sports, Science, and Technology of Japan, a grant from the Japan Society for the Promotion of Science, Grants-in-Aid for Scientific Research (19390378, 19650153, 21300163 to Hirata M, and 21791360 to Goto T), and a 2009 grant from the Sugita Memorial Brain Research Fund.

The authors would like to apologize for any inconvenience caused.
