[\[2\]](#) When we notify the Member of your report, we will provide this email address to them in the event they wish to contact you (your company) about the report.

[\[3\]](#) You may add more pages to this report if you are reporting multiple pieces of content.

[\[4\]](#) State the legal right on which you base your request for removal of content. We receive reports based upon copyright, but will consider requests based upon other types of rights.

[\[5\]](#) Copyrights are territorial. State the geographical basis for your rights. It is not necessary to provide evidence of rights or registration.

[\[6\]](#) Infringing content must be identified with particularity. If the infringing content is a full-text, please provide the dedicated download URL for that specific file. If you insert a link for a publication page, the request will be interpreted as referring to the publicly available version of the full text when only one exists.
