Message from the Guest Editors

Dear Readers,

It is the great honor for us to edit this special issue of Procedia Technology Journal for the selected revised papers presented in the First World Conference on Innovation and Software Development (INSODE-2011) held on October 02\textsuperscript{nd} – 10\textsuperscript{th} 2011, at the Bahcesehir University in historical city of Istanbul in Turkey.

Furthermore, the journal is getting more international each year, which is an indicator that it is getting worldwide known and recognized. Scholars from all over the world contributed to this issue of the journal. Special thanks are to all the reviewers, the members of the international editorial board, the publisher, and those involved in technical processes. We would like to thanks all who contributed to in every process to make this issue actualized. A total of 179 abstracts or full papers were submitted for this issue and each paper has been peer reviewed by the reviewers specialized in the related field. At the end of the review process, a total of 106 high quality research papers were selected and accepted for publication.

We hope that you will enjoy reading the papers.

Best regards.
